Guidelines for BRC Finishing Fellowship Application

October 8, 2014

1) The student’s main advisor must be a BRC full member.
2) The student’s must be supported by an external grant that generates IRAD to BRC.
3) The student’s must be at the last semester of his/her PhD program.
4) A letter of support from the main advisor is required.
5) A 1:1 matching fund from other sources is requirement.
6) The application is due 6 weeks prior to the beginning of the semester support needed.

To ensure successful funding of the finishing fellowship, the evaluation criteria we use are:

• The academic and research accomplishment of the student.
• Current state of the student’s dissertation.
• Does the faculty advisor have significant IRAD contributions to BRC over the years?
• Other matching sources.
• Is the project consistent with the BRC mission?
